Frequently Asked Questions

Q: Why should I finance my project when I can pay cash or use a credit card?

Financing a project with a GreenSky® loan allows you to conserve both your money and your equity, and typically offers a lower APR than a credit card. GreenSky has many promotional offerings with deferred interest benefits, but without your having to pay out of pocket all at once.

Q: What type of credit is available?

GreenSky loans are unsecured loans with fixed APRs. Unlike a revolving credit card, your non-promotional monthly payment amount is always the same.

Q: Where can I use my loan?

Use your GreenSky Account Number to pay for services and products offered by the contractor with whom you apply.

Q: How do I make a payment?

It's simple – pay online or by phone, or schedule automatic payments to be drafted from your bank account. The choice is yours. Call 866-936-0602.

Q: How do I pay my contractor?

When you authorize your contractor to process a payment, you will receive a text message or email to approve the transaction.

Q: How long do I have to use my loan?

Once approved, you have four or six months, depending on your plan to make your purchases.

Q: When is my first payment due?

Depends on your plan. Many deferred interest plans don't require a payment during the promotional period. The first payment on a budget-minded plan is typically due approximately 30 days after the first purchase.

Q: When does the Deferred Interest plan promotion window begin?

At the time of your first transaction.³
